

COMPANY PROFILE

About Us

PRAYOGO ADVOCATEN Law Firm (DHPLawyers.Com) is founded to provide efficient, and creative legal service to meet the distinctive needs of both local and overseas company who run their business in Indonesia. Our philosophy is to provide advice and representation that allows corporations and board of directors to achieve their goals while minimizing legal risk.

We represent futures exchange company, state-owned enterprises, shipping companies, trading companies, investment companies, F&B companies, payroll services company, and other business sector companies, as well as high net-worth individuals. We have extensive experience advising and representing corporations on all areas of Indonesian Civil and Criminal Law, business contracts, investment law, business disputes and immigration law.

Our Attorneys team led by DHANU PRAYOGO, an Advocate/Lawyer and also Lecturer who has extensive experience of representing high level companies in some major legal disputes in Indonesia. He served as the Attorney for several leasing companies on some trial cases before the Indonesian Courts, to recover their assets from the debtor.

He also served as the Attorney for several State-Owned Enterprises, Futures Exchange Company, Payroll Services Company, Joint Venture Companies, Shipping Companies, Trading Companies, F&B Companies and high net-worth individuals as well as many mix-marriage couples to defend their rights in the property ownership in Indonesia.

He is specializing in company law, commercial and civil litigation, investment law, business contract, IPR protection, family law, company establishment and licensing.
