Legal advice grounded in business realities

PRAYOGO ADVOCATEN is an Indonesian law firm established in 2014, providing corporate legal services, investment advisory, legal audit and due diligence, commercial dispute resolution, and maritime and shipping law services.

Based in Jakarta, we advise Indonesian and international clients on legal matters arising from business operations, investments, commercial transactions, regulatory compliance, and disputes in Indonesia.

Our experience includes working with businesses and individuals from diverse jurisdictions, including China, Malaysia, the United States, the United Kingdom, India, Russia, Greece, Thailand, and the United Arab Emirates.

CORPORATE ADVISORY	**LEGAL AUDIT & LDD**
Structuring, investment-related matters, licensing, governance and commercial documentation.	Scoped legal reviews to identify issues, assess legal risks and support informed business decisions.
DISPUTE RESOLUTION	**MARITIME & SHIPPING**
Commercial disputes, contractual claims, litigation strategy and recovery matters.	Shipping operations, vessel-related documentation, charter arrangements and maritime disputes.

Our approach combines legal analysis with attention to commercial objectives, practical constraints, and the agreed scope of each engagement.

02 / CORPORATE ADVISORY

Supporting business operations and investment

We advise on corporate and investment-related matters affecting the establishment, operation, development, and restructuring of businesses in Indonesia. Our work is tailored to the client's business model, applicable regulatory framework, and defined objectives.

SELECTED SERVICES

- **Company establishment & foreign investment:** Indonesian company setup and investment structuring.
- **Business licensing:** OSS licensing and relevant sector-specific requirements, subject to applicable rules.
- **Corporate governance:** corporate documentation, shareholder arrangements and governance matters.
- **Joint ventures & transactions:** shareholders' agreements, joint venture arrangements and transaction support.
- **Commercial contracts:** drafting, review and negotiation of agreements supporting business operations.

OUR FOCUS

Clear legal analysis, defined scope, and advice directed to the client's commercial objectives.

Our role and deliverables are confirmed through the engagement terms agreed with each client.

Understand the legal position. Identify the risks.

We conduct legal reviews tailored to the client's objectives, the nature of the business, the available documentation, and the agreed scope of work. Legal Audit and Legal Due Diligence are distinct services and are structured accordingly.

LEGAL AUDIT	LEGAL DUE DILIGENCE
A review of specified aspects of a company's legal position, operations, documentation and compliance.	A transaction-oriented review relevant to an acquisition, investment, restructuring or other defined business purpose.
May cover corporate records, licensing, contracts, employment documentation and selected compliance matters.	May focus on ownership and rights, material contracts, liabilities, disputes, regulatory matters and transaction-specific risks.
DELIVERABLES	DELIVERABLES
Written findings and, where agreed, risk assessments and corrective recommendations.	Findings relevant to the transaction, identified legal risks and recommendations within the agreed scope.

POTENTIAL REVIEW AREAS

- Corporate documents and governance records.
- Business licensing and selected regulatory requirements.
- Material contracts and contractual obligations.
- Relevant asset documentation and legal rights.
- Employment documentation and selected compliance matters.
- Disputes, claims and other identified legal exposures.

The scope, verification procedures, assumptions, limitations, timetable and deliverables are agreed before work commences. Tax audit and specialist tax advisory are not included unless expressly agreed in writing and appropriately arranged.

Protecting commercial and legal interests

We advise and represent clients in business-related disputes, with attention to the legal merits, available evidence, procedural requirements, commercial consequences, and the client's objectives.

COMMERCIAL LITIGATION & DISPUTES

- Contractual disputes and breach-of-contract claims.
- Commercial claims and business-related litigation before Indonesian courts.
- Shareholder and corporate disputes.
- Negotiation and settlement strategies.
- Arbitration matters where applicable and within the agreed mandate.

DEBT & ASSET RECOVERY

We assist clients in pursuing outstanding commercial obligations and considering available legal measures to protect or recover assets. Depending on the circumstances and agreed scope, work may include demand letters, negotiations, litigation, enforcement-related steps, and assessment of potential recovery options.

> Every dispute requires an evidence-based assessment. We do not guarantee a particular outcome; strategy and recommendations depend on the facts, applicable law, available remedies, and procedural developments.

Legal support across business sectors

We advise on selected legal matters involving shipping operations, vessel-related transactions, maritime contracts, and commercial relationships in the maritime sector.

MARITIME & SHIPPING

- Vessel acquisition and related legal documentation.
- Ship charter and maritime commercial agreements.
- Applicable shipping licences and regulatory requirements.
- Contractual disputes and claims arising from shipping operations.
- Legal support concerning shipping and logistics arrangements.

EMPLOYMENT & WORK AUTHORISATION

We assist with employment documentation and selected employment-law compliance matters, as well as work-authorisation requirements for foreign personnel, subject to applicable regulations and licensing requirements.

COMMERCIAL CONTRACTS

We prepare, review and negotiate commercial agreements, which may include joint venture, distribution, procurement, technology transfer, service, and other business contracts.

Engagements are accepted subject to conflict checks, a clear scope of work, applicable professional obligations, and agreed terms.

06 / MANAGING PARTNER

Daniel Dhanu Prayogo, S.H., CCD, CFAS, CPFI

Founder & Managing Partner, PRAYOGO ADVOCATEN

Daniel Dhanu Prayogo has practised law since 2009 and established PRAYOGO ADVOCATEN in 2014. His practice encompasses corporate legal advisory, commercial litigation, debt and asset recovery, investment-related matters, and maritime and shipping law.

He has advised and represented clients across a range of commercial sectors, including shipping, trading, business services, food and beverage, technology, and other corporate activities. His experience includes representing businesses in contentious matters before Indonesian courts and advising on legal issues affecting corporate operations and commercial relationships.
